

FALL 2011

"GATHERING PLACES"

Gathering Places can be a variety of location types. They can range for a local coffee shop to a private club or an auditorium to a church narthex. It may even be your own kitchen. Where do you gather?

SPoT COFFEE

Interior renovations to an existing 5,600 square foot historical Art Deco building. Renovations are sensitive to the existing structure and materials and include: Renovated food prep areas, new paint color scheme, flooring, barista/coffee bar, platform seating, and updated toilet rooms. New finishes included, carpet, vinyl wood flooring, paint, laminate, and tile.

GENESEE VALLEY CLUB

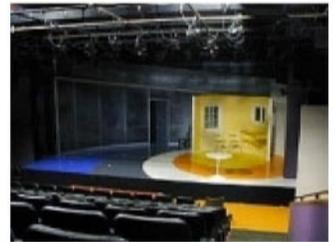

Renovations to an existing Private Club in Rochester, New York. Extensive renovations were made in the Main Lobby to accommodate a new three sided elevator. The elevator allows handicapped accessibility to three existing floor levels. Two new staircases were also included in the renovations. Interior renovations were made to the lower level Men's Locker Room including; new tile walls in the showers and restrooms, new vanity countertops, laundry area, club house area, and fully renovated and refurbished sauna. Interior renovations also included refreshing of the Pro Shop and corridor.
